2011/12 School Year October Newsletter

Ibadan International School

Shoot for the moon. Even if you miss it, you will land among the stars.'
Les Brown

We welcome everyone to the month of October, most especially our new families who recently joined the school.

They are:

- ✍ The Adegunle's
- ✍ The Boopathi's
- ✍ The Green's
- ✍ The Orekoya's
- ✍ The Osunkoya's

Pre School

Pre-Nursery: The Pre-Nursery students are enjoying their first 'taste' of proper school.

They have been busy engaging in lots of learning activities, including finger painting, water and sand play, fixing puzzles, etc; all of which help develop their fine and gross motor skills.

Painting time in Pre Nursery

They are also developing their social, inter-personal and communication skills through a variety of activities that teach them how to interact and play with one another and how to share classroom resources nicely. This term, they will also learn about the different shapes and colours around them.

Pre Nursery students concentrating on their puzzles

Junior School

The Grade I students, fresh from the Pre-School Section, have settled down well into their new learning tasks within a short period of time. In their Unit of Inquiry, they have been

Students modelling their understanding of place value (tens and units)

Inquiring into their personal histories and taking note of important events that have taken place in their lives such as their first step, first tooth, family births, a new pet joining the family, memorable vacations, their first day at school, etc, as a means to discovering more about who they are.

The students can now differentiate between nuclear and extended families, and have used the members of their respective nuclear families to create their own family trees.

Important Reminders

PTA Meeting:
Sat. 8th October. 10am
in the Church of the
Annunciation Hall.

**PYP Parents
Workshop**

Friday 14th October.
2.30pm in the ICT
Lab.

Maths Buster Finals
Wed. 26th October

**Snr. Sch. Open Day
(Yrs 1 & 2 parents)**

Wed. 26th October.
2.30pm - 5.30pm

**Snr. Sch. Open Day
(Yrs 3 & 4 parents)**

Thur. 27th October.
2.30pm - 5.30pm

STOP!

IIS CAR PARK

We continuously
strive to create a safe and
equitable community
here at IIS.

We ask that all
vehicles coming into the
IIS car park keep to the
right hand lane, and to the
left hand lane when
leaving, with **NO** parking
or waiting along these
two lanes.

Please ensure that
your drivers comply with
this procedure carefully
and obey our car park
attendants as the safety of
our students is our
primary concern.

Building a tower

ICT class. In Creative
Writing, the Year 1's are
comparing two novels by
Lewis Carroll, 'The Walrus
and the Carpenter' and
'Gloppe's Soup Shoppe'.
They are also refreshing
their knowledge of French
by describing family
members and pets, as well
as revising numbers, dates
and other essential basics.

Throughout the day, they
took part in different ice-
breaking and team-
building activities,
introducing themselves
to each other and getting
to know one another
better.

The Year 1 students have
rapidly settled down into
the Senior School Section
and are enjoying having
different teachers for
each subject..

First day getting to know
classmates.

They are carrying out a
wide variety of exciting
activities such as learning
how to use a scientific
calculator in Maths and
discussing the influence of
computers and the
Internet on our society in

Students using their family members'
names to create their family trees

They are also learning how
to write meaningful,
complete sentences using
appropriate punctuation
such a commas, question
marks and full stops.

For the Grade 1 students,
learning is a lifelong
process. It never ends but
continues throughout
their lives, and we hope
they will have lots of fun
on their learning journeys.

Senior School

On the first day of term,
the **Year 1 students** and
their new class teacher,
Miss Amélie Biau got to
meet each other formally
and spent the whole day
together getting to know
one another better.

In Mathematics, the Grade
1 students have learnt
that place value means
representing numbers in a
different way through
various hands-on
activities.

The students have also
learnt that symmetry is
when a figure has two
sides that are mirror
images of one another,
and have been able to
demonstrate their
understanding of the
concept using different
artistic hands-on

Students brainstorming
proper nouns

In Language, the students
have been learning more
about proper nouns, and
can now identify and use
them correctly when
constructing sentences.

Student Council Elections 2011

The 2011/12 Student Council Elections were conducted
on Friday, September 30th with great success.
